PUFF STITCH

1. You start the puff stitch as a double crochet stitch. Yarn over the hook, insert the hook into the stitch, yarn over, pull it through the stitch. Yarn over the hook and pull through so that you have four loops on your hook. In the next movement only take off the first TWO loops.

2. Continue to start five more double crochets in the same stitch, only taking off the first two loops on the hook each go

3. Yarn over and pull the yarn through all six loops in one go. Pull the yarn to tighten the bobble up.
